Marion B. Pollock Fellowship
Masters Level Award ♦$3,000

Presented by the American Association for Health Education (AAHE)

Fellowship

The award is a $3,000 fellowship. It is to be used by the recipient for any expenses related to pursuing full-time graduate studies. The fellowship recipient will be recognized at the annual Awards Luncheon at the AAHE/AAHPERD convention. The recipient will also receive a one-year complimentary graduate student membership in AAHE. Application materials must be postmarked **November 15.**

Eligibility

The fellowship will be presented to a talented and committed teacher in an elementary, middle school, or high school for graduate study at the master's level. The applicant must be currently enrolled in an accredited college/university in the United States or a U.S. territory in a health education program and be able to demonstrate six (6) completed credit hours in the program of study.

Application Procedures

1. The completed application form must be received by **November 15** of each year. All application materials must be submitted simultaneously in a single envelope.

2. All applications must be accompanied by:
   a. A current resume or curriculum vitae. Use the following categories, presenting the material in reverse chronological order where applicable.
      1. Personal information
      2. Current program and institution
      3. Degrees earned, names of institutions, and year of graduation
      4. Employment experience and dates of employment
      5. Professional presentations: titles, dates, and locations of presentations
      6. Professional publications
      7. Professional memberships
      8. Awards
      9. Professional committee involvement
      10. Voluntary community service activities
      11. Any other extra-curricular or professional activities
   b. A transcript from the institution granting the most recent degree, any coursework that fulfills requirements for the current degree program.
   c. A written narrative describing the role of school health education in meeting the current health needs of children and youth, the applicant's personal and professional goals, and how the educational program is going to advance the health of children and youth. The maximum length for this narrative is five (5) double-spaced pages. Include sub-titles for each of the areas.
   d. Two (2) letters of recommendation. One of the letters must be from the applicant's advisor or a faculty member of the department where the applicant is enrolled.

Criteria

Applicants will be evaluated on the following criteria:
Evidence of ability to link health needs of children to school health education
Teaching experience
Professional goals
Potential to advance the practice of school health education
Calibre of documents
