

SOUTHWEST DISTRICT STATE PROFESSIONAL DEVELOPMENT GRANT PROGRAM

To assist and encourage the Southwest District states and Guam to collaborate with an AASPERD National Association in bringing a workshop to that state, SWD AASPERD is offering each state a grant of up to \$1000.

Guidelines:

- The grant request needs to go through the state AASPERD association.
- SWD will assist financially and help promote the workshop on its website and in its newsletter.
- At the completion of the workshop, a report needs to be submitted to the SWD Executive Committee.

For more information contact Bobbie Perry, baperry@ksb.edu or your state AASPERD association.
