

Friends of NAGWS

Sport is an exciting and very powerful tool by which to enrich the lives of all of those who are able to participate in it. We have learned that girls and women experience noteworthy social, mental, physical, spiritual, and psychological benefits from being actively involved in sport. The skills and attributes obtained from sport have allowed many girls and women to dream beyond their perceived limitations - giving flight to their minds and wings to their imaginations! Through sport, they have learned to grab the world and control their destiny toward living a healthy, wholesome, and productive life!

The ***National Association for Girls & Women in Sport (NAGWS)*** is a non-profit Association of the American Alliance of Health Physical Education, Recreation, and Dance. NAGWS is dedicated to making sure that sport is an opportunity afforded to all girls and women. For more than a century NAGWS has been offering initiatives, programs, products, and services that have facilitated, empowered, and inspired girls' and women's involvement in sport. This task is far too enormous for us to do alone. As such, NAGWS has established a circle of *Friends* to help in this regard. Our *Friends of NAGWS* are individuals and organizations who believe in and support our mission of increasing and improving sport opportunities for girls and women. *Friends of NAGWS* include: current athletes, former athletes, coaches, administrators, parents, educators, corporations, associations, business leaders, politicians, social activists, sport enthusiasts, and individuals who simply support girls' and women's involvement in sport!

You too, can become a Friend of NAGWS!!! Surely you know a girl or woman who is deserving of the valuable contributions sport makes to all of our lives. Join our circle of *Friends* and help us to create a healthy and active society of girls and women by donating \$35, \$70, \$150, \$3,500 (for Corporate Friends) or any other amount using the form below. In return for your gracious donation, you will receive the NAGWS Newsletter (the *Gazette*), information on NAGWS events, programs, products, and services, and access to a network of *Friends*!

Yes, I want to become a Friend of NAGWS! Please accept my tax-deductible donation of:
