Athletic Director of the Year Award Process Change Announcement

In March 2010, the NASPE Board of Directors voted to change the Athletic Director of the Year award process. The Athletic Director of the Year program will no longer function using a state/district/national level system. NASPE's Athletic Director of the Year award is now a national level award.

Applications for the Athletic Director of the Year are due on October 15th. Candidates can nominate themselves or be nominated by a colleague. The applications will be reviewed by NASPE's Sport Awards Committee. The recipient will be notified in December. The National Athletic Director of the Year will be honored at the NASPE Hall of Fame Banquet, held each spring at the AAHPERD National Convention.
