

NASPE Resource Brief **Grants & Funding**

Grant Opportunities

- [NASPE Grants Database](#) – Provides information about the availability of program and research grants and is updated monthly.
- [ING Run for Something Better](#) – A minimum of fifty up to \$2,500 grants to schools that desire to establish a school-based running program or expand an existing one.
- [30K NASPE Research Grant Program](#) – Provides substantial funding for critical applied research related to PK-12 physical education, school-based physical activity and sport programs, or youth sport that is relevant to a large number of NASPE members. Funding of up to \$30,000 will be awarded once every three years. The research topic to be funded in 2012 is on the implementation of a comprehensive school physical activity program (CSPAP).
- [Head Start Body Start Play Space Grants](#) – Head Start Body Start National Center for Physical Development and Outdoor Play (HSBS) provides grants of up to \$5,000 to Head Start and Early Head Start centers nationwide to improve their outdoor play spaces.
- [AAHPERD Research Grant Program](#) – Information is updated annually prior to the call for proposals which is traditionally posted mid-August with an October 1 deadline.
- [Grants.gov](#) – Grants.gov is the source to find and apply for federal grants.
- [FIPSE Grants Database](#) – The Fund for the Improvement of Postsecondary Education (FIPSE) database is a publically searchable database with information about current and past FIPSE competitive grant projects and non-competitive Congressionally-directed grants (earmarks) that FIPSE manages.
- [Carol M. White Physical Education Program \(PEP\) Grant](#) – Provides grants to local educational agencies, school districts, and community-based organizations to initiate, expand, or enhance physical education programs that help students in K-12 meet their state standards for physical education.
- [Grants4Teachers Funding Database](#) – Provides a searchable database and a variety of tutorials for teacher on how to write grant proposals.

Resources

- [AAHPERD Research Grant Program Tip Sheet](#) – Tips for applying for the AAHPERD Research Grant.
- [The Physical Educator's Guide to Successful Grant Writing](#) – Use this resource with its accompanying CD-ROM to learn the essence of what physical educators and wellness specialists who are seeking grants need to know about formulating a project, identifying a funding source, writing a successful grant proposal, and managing the project once the grant has been awarded.
- [Helen M. Heitmann Research Grant](#) – The purpose of the Helen M. Heitmann Research Grant is to help determine the direction needed to reverse the trends of doctoral programs decline and the shortage of qualified higher education faculty members in Physical Education Teacher Education and related fields. Funding of \$10,000 for one study has been awarded through January 31, 2010. The one-time grant will was awarded in May of 2009. The research topic is for a study on the lack of higher education faculty and researchers.
- [Flaghouse Grant Writing Service](#) – Free grant writing service and assistance for grants for Physical Education, Health and Nutrition, Special Needs, and Sensory Products.
