

Plaudit Award Application Form

Honor Someone You Know Today

Would you like to thank someone who has significantly influenced your career or life; honor a special teacher or mentor or a parent; let a friend or colleague know you admire them; or give a unique gift for a birthday, graduation, Christmas, or other special occasions? You can honor someone special with the Plaudit Award and invest in the future of dance by making a tax deductible donation to NDA.

What is the NDA Plaudit Award?

The Plaudit Award has been established by NDA to recognize and applaud individuals and groups who have made significant contributions to the field of dance and to the lives of dance enthusiasts.

Donations to the Plaudit Award will be used to support special projects of the National Dance Association and the field of dance education.

How to order the NDA Plaudit Award

For each donation of \$50.00 or more (students may purchase certificates for \$25.00 each) to NDA, the donor can designate an honoree to receive the Plaudit Award. The honoree will be sent an 8 1/2" x 11" embossed certificate in a handsome presentation folder suitable for framing. For an additional fee, NDA will mount the certificate on a simulated walnut plaque. The donor will receive verification that the certificate has been sent to the honoree along with a tax deductible receipt. Donors may purchase as many certificates as they wish. ♦
